etter from a correspondent in Washing-ton, of whose integrity and reliability it

amail cost to the State, adding greatly of the convenience and metuliness of the chapiain, as well as to the benefit of the convicta. In this connection we would add our testimony to that of the moral instructor and warden, upon the subject of the great necessity for a suitable library of reading matter for the use of the convicts. As stated, the books on hand are very limited in number as well as deficient in quality. It is certainly a matter of the highest importance in connection with the moral improvement of the convicts, that suitable and interesting books should be provided for their use. The Superintendent of Public Instruction end the Legislature have been appealed to lunder the convenience of the northeast corner of Brook and Martin Control of the convenience of the conven
